Reflective Practices in Language Education & Research: Towards a Shared Culture of Professional Identity Development

ENROPE

ENROPE is an Erasmus+ project building a European Network for Junior Researchers in the Field of Plurilingualism and Education (more information at <https://enrope.eu/>). As part of the project, several Multiplier Events are organized in different countries. The focus of the second Multiplier Event is reflective practices of Language Education & Research in relation to the project outcomes of the ENROPE E-Portfolio experience

THE EVENT

Offers a dialogic platform for the exchange of knowledge and experience on a range of topics including the use of e-tools for supporting reflective practice on multi/plurilingual education and research; affordances and constraints involved in online teaching and research in multi/plurilingual contexts; prospective research on multilingual/ plurilingual education; enhancing networking and collaboration.

WANTED

Local and international communities of practitioners and researchers in the field of language education, language teachers, early career researchers, teacher educators and doctoral supervisors.

PARTICIPATION

Zoom link will be shared with Registered Participants. A Certificate of Attendance will be awarded to the participants of the event
